Summary of reasons for decision:

The image file depicts a naked female whose age cannot be determined but she is likely a teenager. Although the image depicts a subject who could be a young person and is naked, there is nothing in the image that can be reasonably considered sexual in nature. The image does not deal with matters of sex, or any other matters, under s3(1) of the Films, Videos, and Publications Classification Act 1993, nor does it raise any issues under ss3A or 3B of that Act. It must, therefore, be classified unrestricted. This unrestricted classification places no limitation on the right to freedom of expression provided by the New Zealand Bill of Rights Act 1990.
